A
When: Friday, February 8, 2019; 9:00 am-12:00 pm
Address: 1339 South Park Ave Buffalo, NY 14220

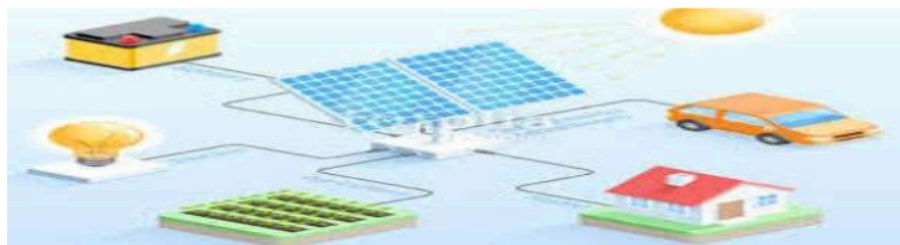

- Enter the driveway at the stop sign on South Park Ave (there is only one driveway into factory) stop at security check point advising them you are there for the event. Proceed down the front of building until you get near the main entrance (located below the very large TESLA red sign) Please note there are only 20 visitor parking spots, so if all are taken, use whatever parking spot available. Proceed to main entrance with Photo ID, check in with receptionist and await further instructions.

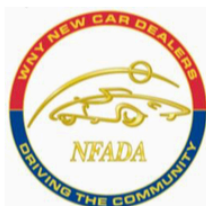

Featuring a brief tour of Tesla's Energy side of their business and a discussion of the long range employment possibilities that is presented in the renewable energy field.

**** Please note: Capped at 60 attendees (paid memberships taken first)**

- Photo ID is required
- To participate in factory tour, attendees are required to wear long pants, and must have closed toe composite or steel toe shoes. (No skirts, dresses or high heel shoes)
- Beverage and Food will not be provided

RSVP by Friday, February 1, 2019 via email/phone to Jodie Cormier
JCormier@e2ccb.org or 716-652-8250 x 5226

FEBRUARY MEEETING ANNOUNCEMENT

The Niagara Frontier Automobile Dealers Association (NFADA) will once again be hosting our February, 2019 meeting with a luncheon and admission to the Buffalo Auto Show to see the latest and greatest new vehicles.

When: Friday, February 8, 2019, 12:30pm

Where: Hilton Garden Inn – Buffalo Downtown
10 Lafayette Square
And at the Buffalo Niagara Convention Center

Topic of discussion: Student Employment Opportunities at Automobile Dealerships
Current and future workforce shortage

Our speakers will be local secondary & post secondary auto students and their parents, talking about their experiences and the auto tech career path they have chosen. Automotive instructors from the high school and college programs will be available to answer any questions about their program after the luncheon.

Did you know that the average association member dealership employs 61 people?

NFADA member dealerships are anxious to partner with you and your schools to ensure your students are aware of the many careers available right here in WNY.

Dealerships have a constant need for qualified employees, many in the career & tech arena.

Please plan to attend this informational session to learn about the many career fields available to your students in our local new car dealerships.

At the conclusion of the meeting, the NFADA invites you to be their guest at the 2019 Buffalo Auto Show, one block from the Hilton Garden Inn.

Kindly RSVP to Jodie Cormier via email jcormier@e2ccb.org no later than Friday, February 1st.

Valet Parking courtesy of the NFADA. Drive up to entrance of hotel and inform the valet that you are attending the NFADA luncheon.
