Good Afternoon Mark,

It was great to chat with you today. I am including final updates for the HS Counselors' Association of WNY meeting this month. We are very excited to welcome your group to campus. Attached is the updated schedule for the morning. Please let me know if you see any more adjustments.

Next, I have included a copy of our Canisius College map. Your meeting will be held in Regis. Regis is located on the second floor of the Student Center. The Student Center is labeled "I" on the map attached. It can be accessed from the Quad or Hughes Avenue.

Participants will need to Park in Lyons Hall Lots. If you are using a GPS to find our building, navigate to 2048 Main Street, Buffalo, NY 14208. This address will bring you to Lyons Hall (labeled "K" on the attached map), where the Office of Undergraduate Admissions is located. You may park in front of Lyons Hall where we have reserved visitor spots in the front of the building. If you cannot find a reserved spot, park in any empty spot around the building. Be sure to use the "Admissions Visitor Parking Permit" attached.

We are in the process of deconstructing the parking garage to be more functional for our campus community. During this transitional time, parking is a bit more limited. However, Friday is also the lightest parking day. Please encourage participants to arrive early to give them time to find parking and walk over to the Student Center.

Lastly, Canisius is currently enforcing the state mask mandate. Masks must be worn indoors when not actively eating or drinking.

To RSVP, please email Kayla Maggiore by 2/16 at [maggiork@canisius.edu](mailto:maggiork@canisius.edu).

I look forward to welcoming your group in a couple of weeks. My cell phone number is below if you want to share with the group. I am happy to be available the morning of if anyone needs assistance of any kind.

All the best,  
Kayla
