SUNWILL 20oz Tumbler with Lid, Stainless Steel Vacuum Insulated Double Wall Travel Tumbler, Durable Insulated Coffee Mug, Powder Coated Royal Blue, Thermal Cup with Splash Proof Sliding Lid

- ✓INSULATED STAINLESS STEEL: SUNWILL 20oz tumbler is with Double-Wall vacuum technology to keep drinks hot for over 6 hours and cold for around 24 hours.
- ✓PREMIUM MATERIAL: The tumbler is made from high quality 18/8 304 food grade stainless steel. Lead free and durable. Rust-proof, easy wash and unbreakable.
- ✓SUPERIOR POWDER COATED FINISH: Sweat proof, easy grip, the advanced technology prevents heat transfer to outer wall, condensation free and long lasting. Electro polished inside delivers elegant look. Designed for car cup holders.
- ✓BPA FREE SLIDING LID, ECO-FRIENDLY AND SPLASH PROOF: Extra sealed and the lid cover provide maximum splash-proof capability. Drink hole on the top for easy sipping. Straw friendly.
