

WNY HIGH SCHOOL COUNSELORS ASSOCIATION
(WNY HSCA)

October 2018 Monthly Meeting
Friday October 12, 2018 8:00 a.m.

Hosted by PCB Piezotronics, Inc.

GPS address: 3395 Walden Ave, Depew, NY 14043

*** Property has several entrances - Please use the two most western entrances (toward Walden Galleria)***

PCB is an advanced technology modern manufacturer of electronic sensors. It has over 7000 different products, and over 1150 employees worldwide. PCB performs high precision, miniaturized manufacturing of components in a broad range of advanced technology manufacturing operations.

Please note, because PCB is a supplier to military customers, all visitors must sign that they are a US citizen or permanent resident of the United States to have access to full tour.

Featuring guest speaker: Shawn E. Thompson, M. S.; V.P of Engineering

- Member of Industry Advisory boards of ECC, NCCC and Buff State, providing input to define curriculum in WNY Technology Education
- Presenter at the 2017 NYSETA conference (attended by 42 New York technology colleges)
- Member of the Buffalo Niagara Manufacturing Alliance
- Buffalo Billion Initiative Workforce redevelopment committee
