

# Frontier Central School District

## Summer School Program (MS & HS)

926-1700 Ext. 2406

**High School and Middle School** summer school will begin on **July 5<sup>th</sup>, 2022**. Students may either remediate work from the past year or accelerate course work for the coming semester. Students need to understand that during this time you must apply yourself to the curriculum in order to be successful. One day in Summer School is equal to nearly two weeks of instruction during the traditional school year.

Student attendance will once again be a focus of our program. Students will be held accountable for attendance and failure to comply with attendance policies will result in the student becoming ineligible for the final exam.
