Dear High School Guidance Counselor:

As the new school year begins, I am pleased to announce that my office will be hosting two information nights for students looking to be nominated to one of the United States Service Academies this fall. Representatives from the United States Naval Academy, the United States Air Force Academy, the United States Military Academy West Point, the United States Merchant Marine Academy, as well as the United States Coast Guard will be on hand to deliver a brief synopsis of the nomination process, information about attending the academies, and answer any questions from interested students and parents.

We invite and encourage you to promote this event to your students via flyers, newsletters and announcements. If you or your students have any questions, please contact Kristine Bieniek, my office's Service Academy Coordinator, at (202) 225-5265. Interested students who are unable to attend an information night, can always contact my office or visit my website www.chriscollins.house.gov for information.
