

High School Counselors' Association of WNY Website Sponsorship Form

Dear Educational Partner,

We are pleased to offer you the opportunity to sponsor our website. The High School Counselors' Association of WNY plans monthly professional development & training in the areas of education and school counseling. The Association was formed in 1983 to help high school counselors make the most effective use of their skills and talents in their service to students, parents, school personnel, and the community. During the past 40 years membership has grown to include many private and out of area schools. Currently, we have approximately 185 members from over 50 WNY high schools and colleges. Our website has a lot of traffic - In the last 12 months we have had about 14 thousand unique visitors, and over 93 thousand page views!

This is an initial offering for a year sponsorship. If you would like to become a sponsor and have your logo and hyperlink placed on a scroller that will appear on nearly every page on our website, please fill out the information below and return with your payment. The cost of sponsorship is **\$250.00** per year and includes sponsorship membership within the organization. The yearly sponsorship term is from **September 1 through August 30.**
